INT. FRASIER'S APARTMENT - DAY

FRASIER puts on headphones:

FRASIER

Dr. Frasier Crane here. Im
listening. What I would say to,
you, Ann: go out in nature and be
among the--oh my god! There's an
insect in my office! Roz--help me!

NILES

Fastidious cleanliness, a love of
opera, and a skinny body in a Gucci
suit. But also Maris blah blah
blah. Bc we're all pretending I'm
straight. I've heard I resemble a
Pakistani in Maryland who is--get
this--gay! Hm!

ROZ

Oh, Dr. Crane! Look at my life! I
just slept with the 500th
heterosexual man in Seattle and got
my little plaque here--see--from
my Desperate Serial Monogamy
Because This Time It Will Work Out
for Sure Support Group!

DAPHNE

Roz, I can understand what you're
going through. Me mum would say:
"You're a complete disappointment
in every way, but especially
because I have no grandkids from
you. But I better get to cooking,
cleaning, and THEN doing Mr.
Crane's physical therapy!

MARTIN

Aaaaaaaaah! Enough with all you and
your bellyaching. Have a beer, have
three more, watch a police
procedural and then limp to bed
like me! Look how happy I am!

EDDIE

[Stares at Frasier].
